Herefordshire Bridge Association

Competitions Handbook Supplement 2009-10

In general, the information regarding HBA competitions remains the same as set out in the competitions booklet issued to all members in June 2008.

This booklet may be downloaded from the website www.herefordshirebridge.co.uk

The caterers we have used at Tarrington for a number of years have sadly given up. This means that a meal will NOT be included at our double session events. Instead there will be a meal break, during which people can eat food that they have brought themselves.

The charge for the competitions has been reduced accordingly.

The HBA will provide tea, coffee and biscuits during the break at these events in addition to the usual drinks available during play.

Single session events are obviously unaffected.

The Ace of Spades and the No Fear Teams are restricted competitions and require people entering to play according to one of two convention cards:

Standard English Acol - Foundation Level or
Standard English Acol - Modern Acol.

These can be downloaded from the EBU website or may be obtained from the events secretary either prior to, or at the time of the competition.
