

# HEREFORDSHIRE BRIDGE ASSOCIATION

After a succesful start last year, we will continue this year with the new format. The first round of the knock-out will be held at Ledbury Community Centre, where there will be a friendly get-together of all the teams competing, with a glass of wine to break the ice.

The draw will take place at the event, followed by the first match. At the end there time for a tea or coffee, a chance to talk about the results and a chance to arrange your next match with your opponents. Subsequent rounds will be played at home.

**If you have not played in this competition before why not try it? You are guaranteed at least two matches - if you are knocked out in the first round you automatically enter the Plate - no extra charge!**

The more teams who enter the more enjoyable the competition will be, so please try to get four friends together to enter a team, and persuade your other friends to enter as well.
